We would appreciate it if parents could keep this letter safe to refer back to. Also, notices closer to the time will be put around the entrance area as a reminder.

A few notices and reminders:

Children who will be leaving in the summer for school will need transition forms completed by their key worker. Please advise staff of the school that

your child will be attending as soon as possible so arrangements can be made.

We urge parents to not send in their children wearing jewellery as it can become a hazard for them and other children.

Please ensure children's coats and bags are left on their pegs before they are sent into room. Not doing so can sometimes cause confusion and result in children taking home clothes that don't belong to them.

As the weather is getting quite windy, we request that all parents ensure the front door is closed when they enter and leave as it is sometimes blown open due to the weather.

If you would like to discuss any of the above or have any concerns regarding any aspect of the nursery, please feel free to speak to a member of staff or

arrange a meeting with myself.

Please advise us if you would prefer to receive letters and invoices via email.

Kind regards,

Farheena
